

# JONES ROOM SPACE USE POLICY RECOMMENDATIONS

The [Joseph W. Jones Room](#) in the Woodruff Library Building is an event space available to departments and offices affiliated with Emory University or sanctioned Emory student organizations. The primary function of the Joseph W. Jones Room is to host meetings and special events given by departments and offices affiliated with Emory University or sanctioned Emory student organizations. The room is not available for public use.

Catered events are allowed, and catering can be staged in the adjacent kitchen. Caterers must be Emory approved. See [Appendix B](#) for approved, preferred caterers.

The room is equipped with a variety of audio / visual equipment, including a projection screen, microphones, and a touchscreen PC.

## GENERAL POLICY RECOMMENDATIONS:

- Failure to comply with the Emory University policies or Federal, State, and local law will result in the cancellation of future reservations and/or restrictions from the use of Jones Room facilities. Discrimination in the use of these facilities regarding disability, race, religion, or nationality is prohibited.
- We reserve the right to terminate the event at any time if security and/or event manager sees behavior that threatens university property.
- Emory University is a tobacco free environment including e-cigarettes and vaping. All clients, guests, and vendors should be aware of the policy and must abide by it while on campus, including in all buildings and outside areas within the campus perimeter.
- Clients utilizing space in the Jones Room must abide by all applicable [Emory University policies](#).
- Accessibility: All Clients are encouraged to review the [Office of Accessibility Services website](#) and follow the guidelines for providing accessible events.

## ROOM POLICY RECOMMENDATIONS (SEE [APPENDIX A](#) FOR ROOM DESCRIPTIONS):

- All groups that use the Jones Room are responsible for room setup, room fees, room breakdown, and for cleanup. An Emory University sponsor and speedtype are required in order to reserve space for events. Please note that the Jones Room does not have staff to set up rooms, assist with technology, arrange for catering, or clean up after events that are held on the premises. All leftover food/beverage items must be cleared from the kitchenette. Please make sure you bring enough staff with you on the day of the event to assist with the moving of chairs, tables, etc. needed for your event. Alternatively, you may contact [Emory Staging](#) to setup/takedown the room: 404-727-7463. Emory Staging requires your speedtype to secure services.

- Please allow adequate time to set up and break down the space when scheduling spaces. A good guideline is to allow for 60 minutes prior and 60 minutes after your event. Break down consists of making sure all microphones are placed back onto their charging ports, trash is properly placed in their respective bins, leftover food/beverage items are cleared from the kitchenette and signing out of the desktop computer. Do not shut the computer entirely off.
- Unless it is used for registration in the alcove, none of the furniture in the Jones Room may be taken out of the Jones Room for use elsewhere in Woodruff Library or on campus. Tables and chairs used for registration must be returned to the Jones Room immediately following your event.
- Reservations must be made at least 30 days in advance using our [LibCal Booking Page](#) and are taken on a first-come, first-served basis with priority given to Emory University Libraries related events.
- Events held outside of business hours (Mon-Fri 9am-5pm) must be concluded by 8:30pm and all vendors and guests must exit the space by 9:30pm. Additional charges will be incurred if an event runs beyond the time specified.
- Social events including but not limited to retirement parties, birthday parties, holiday parties, weddings, and non-EU fundraising are not permitted.
- Please check the website for exceptions to our [hours of operation](#) that may impact dates/times rooms are available. The Jones Room is closed when the University is closed.
- The fire code prohibits the library from exceeding the maximum capacity of each room. The client is responsible for monitoring the number of people in the space and turning away guests once capacity has been reached or Emory University Police can shut down the event. See [Appendix A](#).
- Room use is "as is," i.e., users will need to bring laptops or other equipment if it is not already supplied. A list of available equipment can be found on the booking site.
- Please do not remove any equipment from the room.
- If you have not used our space before, please request a site visit to discuss all the rules and requirements for usage of the space by contacting Ayana Bohannon ([abohan2@emory.edu](mailto:abohan2@emory.edu)) to schedule an appointment.
- If your guests require reserved parking spots or parking validation tickets, please contact the [Emory Parking Office](#) at [parking@emory.edu](mailto:parking@emory.edu) or 404-727-7275. The closest parking deck to the Woodruff Library is the Fishburne Parking Deck adjacent to North Decatur Rd and the Goizueta Business School.
- The Jones Room does not have staff available to set up, install, monitor, or troubleshoot A/V presentations. If you need A/V assistance or additional equipment, such as hand-held mics and lavalier mics, please contact the vendors in [Appendix D](#) at least 14 days in advance for an additional fee.
- If your event guests are not affiliated with Emory University or your Emory Faculty/Staff/Student does not have access to the library, please note they will be required to provide photo ID and sign in with Woodruff Library Access Services on Level 2 main entrance before proceeding to the Jones Room on Level 3.
- Final determination in the usage of the room is made by the Marketing and Engagement Events Team.
- The space is not confirmed until you have received a booking approval email. Please allow 2 - 4 business days for approval.

## **FEE & FEE POLICY RECOMMENDATION:**

- The Jones Room is not available for public use. A speedtype charge is the only accepted payment method for the reservation.
- Spaces are rented at half day (4 hours) and whole day (8 hours) increments. Weekday rentals between 9am - 5pm will incur the weekday rate. Early morning (before 9am Mon-Fri), evening (5-9:30pm Mon-Thu) and weekend (5-9:30pm Fri and 9am-9:30pm Sat-Sun) rentals have their own rate and require a minimum rental of 4 hours (subject to Woodruff Library hours of operation).
- By making a room reservation, a department agrees to accept financial responsibility for damages resulting from the use of the facility or equipment, and responsibility for the safety of event guests.
- Charges for damaged/heavily soiled carpet or furniture will be billed to the reserving organization.
- The Jones Room reserves the right to cancel any event at any time due to unforeseen university emergencies. Cancellations made by the client must be made at least 72 business hours before the event date. Events cancelled before the 72-business hours deadline will not incur any penalty fee. Events cancelled less than 72-business hours from the date/time of the event will be charged half the agreed upon total of room rental fee(s). The client booking the event is responsible for cancelling all other third-party vendors and any services being provided by on-campus providers. Rescheduling of cancelled events will be considered for future bookings in the Jones Room based on the client's desire to do so and subject to available space.
- Events canceled due to the University's inclement weather policy, labor difficulties, strike, epidemic, interruption of transportation, or any other event proven beyond the control of the client or Emory Libraries, will not incur a penalty. Alternatively, the Client and Emory Libraries may reschedule the event at a later date mutually agreed upon by Emory Libraries and the client at the originally agreed upon payment terms.
- Refunds of deposits paid to caterers and other outside contractors are to be resolved between the client and the outside contractor(s).
- All fees are charged after the event has taken place and room maintenance has been verified.
